## Can you help?

**LifeLines** have organised volunteer-led activities for older people in East Brighton for years and now with Big Lottery funding are working in Portslade.

We're also looking for volunteers to start their own groups. If you can spare **a few hours a month** then we'll support you to set up and run your own group in something you're passionate about.

Or join our **Healthlink** project and accompany an older person to a health appointment.

If you'd like try any of these activities or want to know more about leading your own then please call us on **01273 688 117** or email **[lifelines@volunteeringmatters.org.uk](mailto:lifelines@volunteeringmatters.org.uk)**
