# All of our activities across the city

Welcome to the **Lifeline Activity Calendar!**

**LifeLines** is a local project run by the national charity, **Volunteering Matters**, helping to set-up and support volunteer-led activities for older people across Brighton & Hove. All of our activities are free, we only ask for donations to cover the cost of venues or for materials/refreshments.

Some activities you can drop in at, others you will need to book. All are subject to change, so please check before attending your first class.

To book or for more info,  
please call **01273 688 117**  
or email [lifelines@volunteeringmatters.org.uk](mailto:lifelines@volunteeringmatters.org.uk).

### Healthlink

On the following pages we list our activities alphabetically and grouped by venue, but first we want to tell you about our other local project.

Our **HealthLink** volunteers accompany people living in Brighton and Hove City that are 50+ to GP, hospital, dentist and other important routine health appointments.

*“It’s good to have someone with you, it gives me a bit of confidence.”*

Moira, HealthLink Member

The project aims to improve the well-being of older people who are isolated or whose friends and family cannot help them get to their healthcare appointments. As well as reducing cancellations, missed health appointments and the need for unplanned visits. There is no charge.

If you, or someone you know, is interested in our support then please get in touch on **01273 688 117** or email **[healthlink@volunteeringmatters.org.uk](mailto:healthlink@volunteeringmatters.org.uk)**

## **Lifelines Activity Calendar - Spring 2019**

The information listed here is provided to help promote activities to older people across the city.

Our apologies for any errors.

We aim to distribute the calendar in the 1<sup>st</sup> week of each month, so please let us know of any changes by the month end to be included in the next release.

Thanks in advance.

**The Lifelines Team**

**Volunteering Matters** owes a huge debt of thanks to our team of volunteers who regularly give their time and energy to support older people across the city in our **Lifelines** and **Healthlink** projects. We would not be able to support the many people we do without them. Thank you.
